Commvault Professional (CP)

ID CP **Preis** 2'160.– € (exkl. MwSt.) **Dauer** 3 Tage

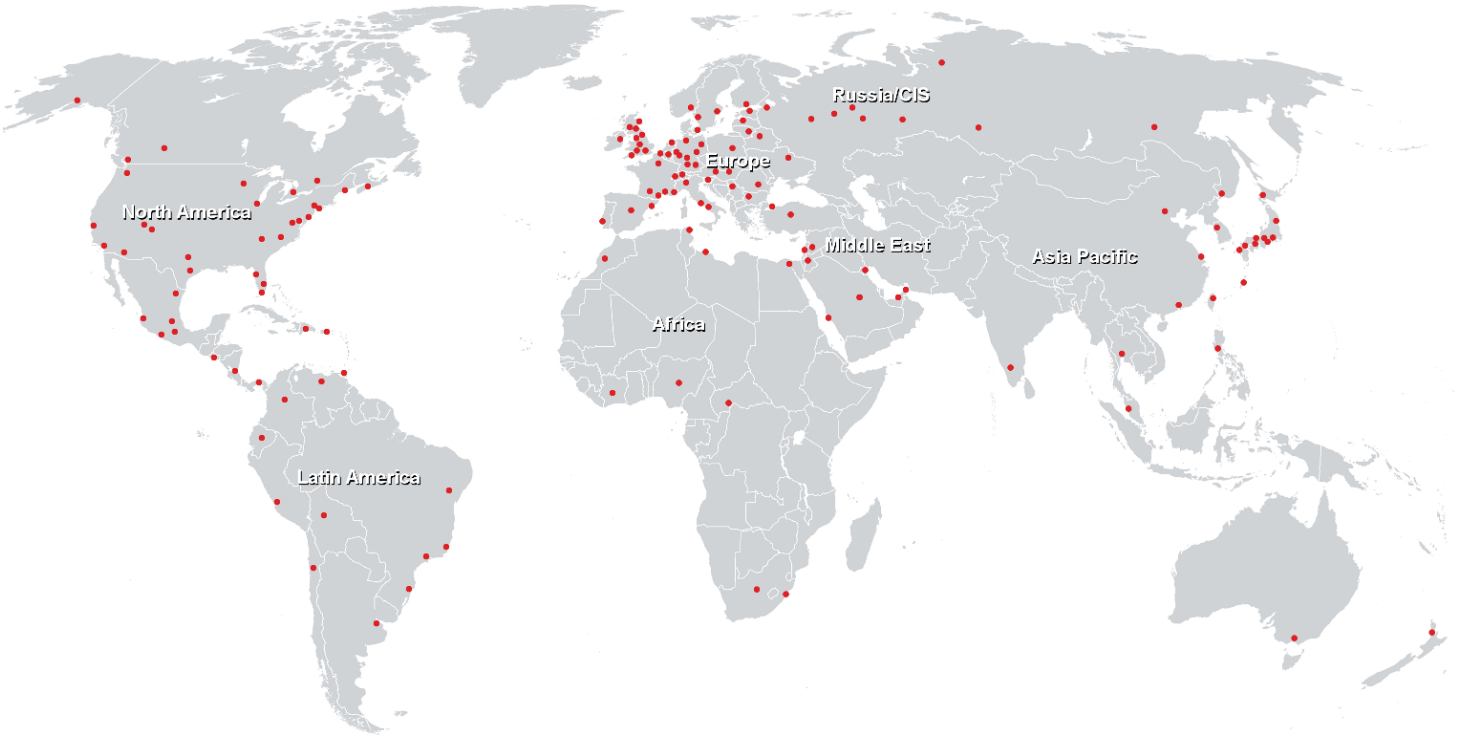

Kursinhalt

Learn how to manage your Commvault environment with the Command Center. Build on foundational concepts including Commvault terminology and architecture, along with a lesson in navigating the Command Center.

You will then learn how to configure storage targets and take advantage of deduplication technology to maximize storage resources and improve network bandwidth, create security rules to manage users by roles and groups, and use network topologies to ensure that data flows only through intended paths.
