

## CyberSAFE (CS)

**ID CS** **Preis** CHF 500.– (exkl. MwSt.) **Dauer** 0.5 Tage

### Zielgruppe

This course is designed for non-technical end-users of computers, mobile devices, networks, and the Internet, enabling employees of any organization to use technology more securely to minimize digital risks.

### Voraussetzungen

To ensure success in this course, students should have experience with the basic use of conventional end-user technology, including desktop, laptop, or tablet computers, cell phones, and basic Internet functions such as web browsing and email.

### Kursziele

Students will identify many of the common risks involved in using conventional end-user technology, as well as ways to use it safely, to protect themselves and their organizations from those risks.
