

CyberSAFE (CS)

ID CS **Preis** CHF 500.– (exkl. MwSt.) **Dauer** 0.5 Tage

Zielgruppe

This course is designed for non-technical end-users of computers, mobile devices, networks, and the Internet, enabling employees of any organization to use technology more securely to minimize digital risks.

Voraussetzungen

To ensure success in this course, students should have experience with the basic use of conventional end-user technology, including desktop, laptop, or tablet computers, cell phones, and basic Internet functions such as web browsing and email.

Kursziele

Students will identify many of the common risks involved in using conventional end-user technology, as well as ways to use it safely, to protect themselves and their organizations from those risks.
