CompTIA Tech+ (TECH+)

ID TECH+ **Price** CHF 2,059.—(excl. VAT) **Duration** 3 days

Who should attend

CompTIA Tech+ is ideal for students, aspiring tech practitioners with no experience, career changers, and professionals in non-technical roles who want to gain a better understanding of technology. It's also a great fit for marketing, sales, and operations staff who want to enhance their tech skills and rely less on tech support.

Prerequisites

CompTIA Tech+ is the only pre-career certification that helps students and career changers determine if they have competency in tech, and if it's the right career path for them.

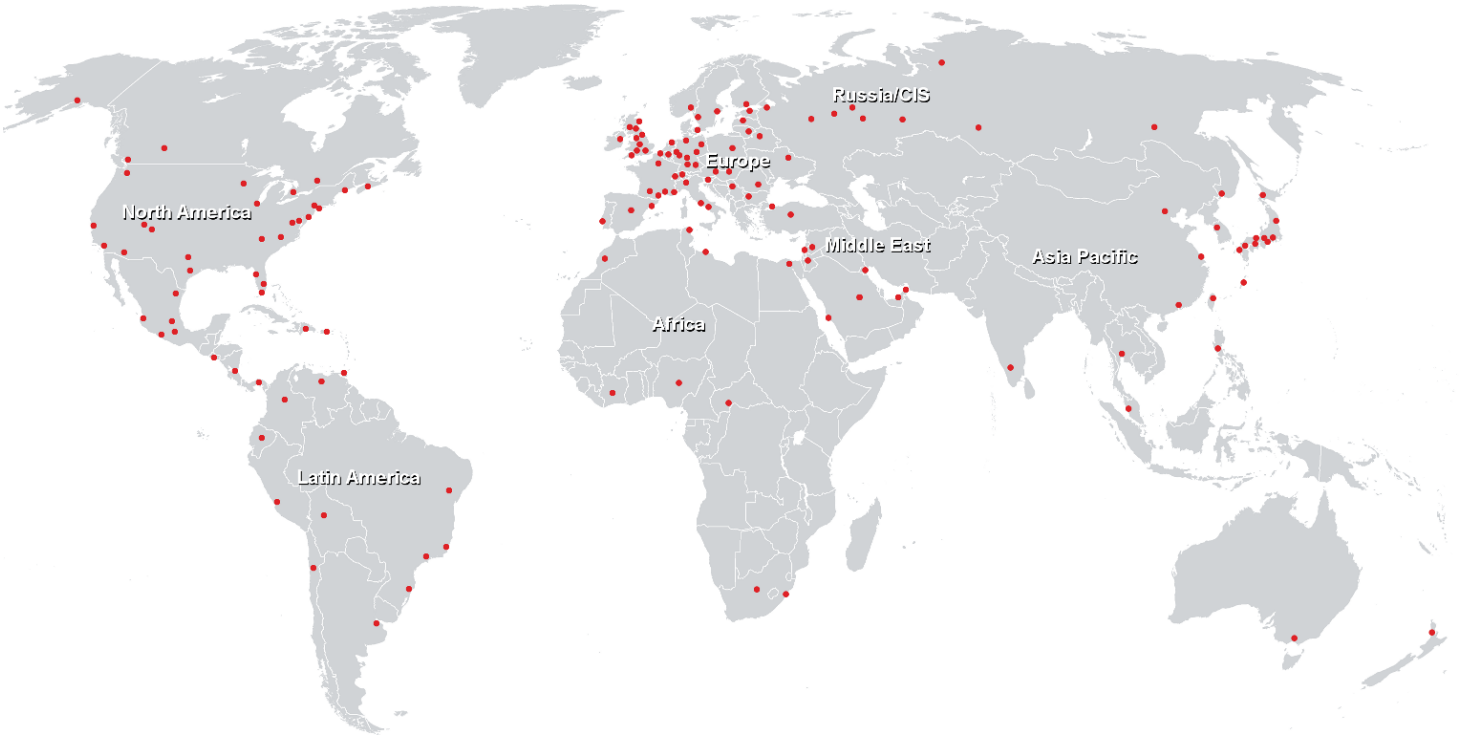

Course Objectives

By completing this course, you will be able to:

- Understand and manage technology infrastructure and computing concepts
- Troubleshoot and resolve common hardware and software issues
- Recognize and address basic cybersecurity threats
- Explain the growing importance of emerging technologies
- Use Tech+ as a launchpad toward certifications like CompTIA A+
