

CompTIA Tech+ (TECH+)

ID TECH+ Price on request Duration 3 days

Prerequisites

CompTIA Tech+ is the only pre-career certification that helps students and career changers determine if they have competency in tech, and if it's the right career path for them.

Course Objectives

A CompTIA Tech+ certification verifies an individual's fundamental tech knowledge, proficiency, and skills across a range of environments and platforms. The exam objectives are developed and curated by industry leaders, so learners will have a strong tech foundation that aligns to the industry's standards.

Course Content

- 1.0 Understanding Tech Basics
- 2.0 Data and Privacy
- 3.0 Internet Technologies
