

Advanced Configuration for CommCell Console (ACCC)

ID ACCC **Price** 1,440.— €excl. VAT **Duration** 2 days

Course Content

Learn how to work with the CommCell Console for advanced configuration. This course start with deployment and professes through storage, storage policies, and monitoring to protect data in virtual and physical infrastructures. This 2-day course provides all the information about the Commvault environment and includes a hands-on virtual lab and certification exam.

It is highly recommended that you complete the Professional Foundations course before registering for this course. To achieve Commvault Professional Certification you must pass the Professional Foundations and Professional Advanced exams.
