Building your AI Center of Excellence on Google Cloud (BACEGC)

ID BACEGC **Price** CHF 300.—(excl. VAT) **Duration** 3 hours

Who should attend

- Business leaders
- C-suite executives such as CIOs and CDOs
- Strategic leads responsible for enterprise-wide AI transformation and governance

Prerequisites

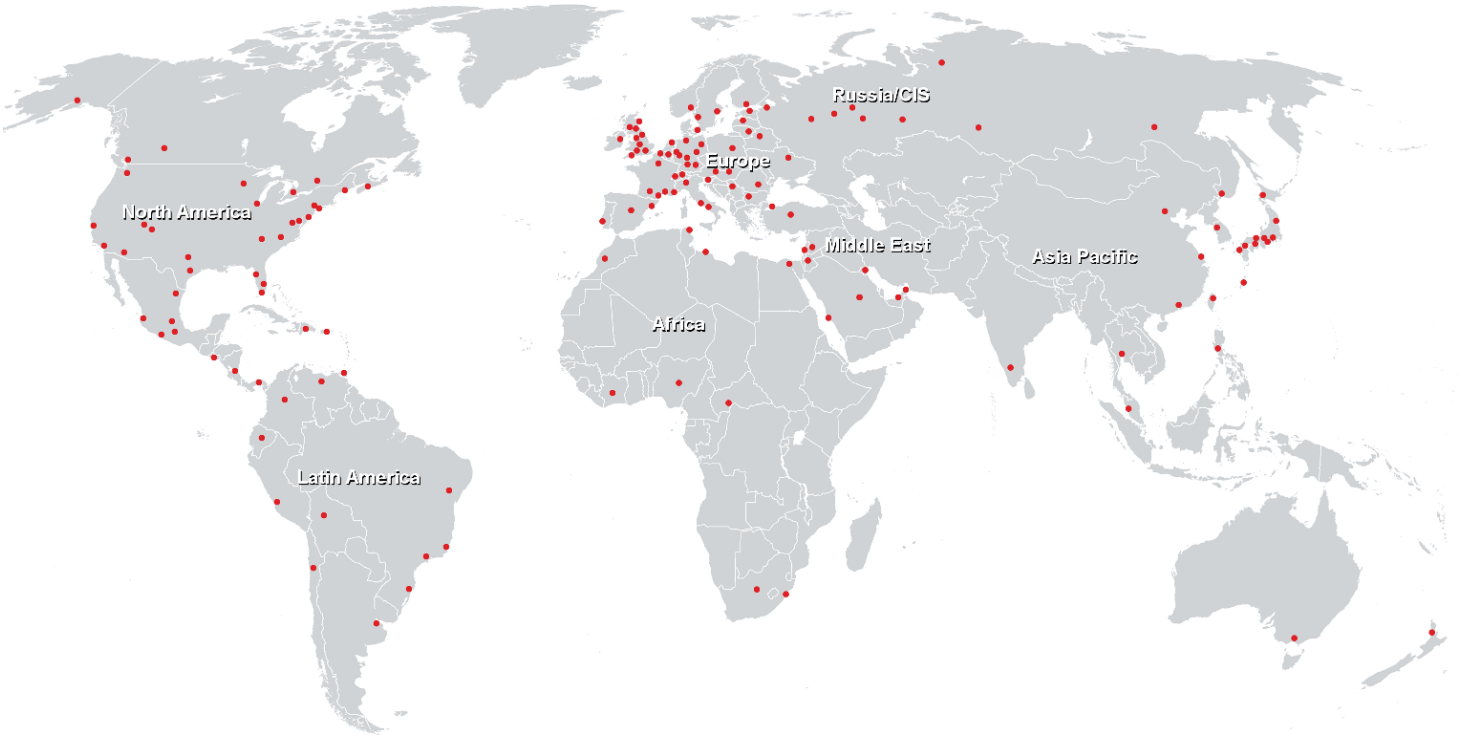

Helpful to be familiar with:

- Familiarity with cloud concepts
- General understanding of organizational business strategy

Course Objectives

- Construct a formal AI CoE charter that translates business strategy into a dual-track mandate.
- Design a cross-functional CoE structure by selecting the appropriate operating model based on your organization's current maturity phase.
- Apply governance playbooks to your dual-track AI projects for safe and effective AI implementation.
- Evaluate AI transformation success using a balanced KPI framework to roadmap the CoE's evolution.
