## Introduction to Responsible AI in Practice (IRAP)

**ID** IRAP **Price** CHF 850.—(excl. VAT) **Duration** 1 day

### Who should attend

Machine learning practitioners and AI application developers wanting to leverage generative AI in a responsible manner.

### Prerequisites

To get the most out of this course, participants should have:

- Familiarity with basic concepts of machine learning
- Familiarity with basic concepts of generative AI on Google Cloud in Vertex AI

### Course Objectives

- Overview of Responsible AI principles and practices
- Implement processes to check for unfair biases within machine learning models
- Explore techniques to interpret the behavior of machine learning models in a human-understandable manner
- Create processes that enforce the privacy of sensitive data in machine learning applications
- Understand techniques to ensure safety for generative AI-powered applications

## Training Centres worldwide

## Fast Lane Institute for Knowledge Transfer (Switzerland) AG

Husacherstrasse 3  
CH-8304 Wallisellen  
Tel. +41 44 832 50 80
