
Leading Change When Moving to Google Cloud (LCWMGC)

ID LCWMGC **Price** CHF 850.—(excl. VAT) **Duration** 1 day

Who should attend

- Senior people managers from teams like IT, supporting functions (Finance, Ops, Strategy, HR, etc) and line of business in the process of moving to GCP
- Any leaders and executive sponsors directly involved with or impacted by GCP projects, but not typically C-level
- This is a private class, intended for a single customer, to bring together key stakeholders and project team to work toward a common goal

Prerequisites

No prior technical knowledge is required.

Course Objectives

- Use the Google Cloud Adoption Framework to structure your change management needs
- Understand the psychology of change
- Evaluate your self-awareness about the impact of change on your team
- Assess where your team is on the change curve and how you can support them
- Recognize the most common effects that moving to the cloud can have on your team
- Create a communication plan to lead others and deal with resistance
- Recognize the PSO Consulting Services available to support your Google Cloud journey
