Fast Lane

NIOS DDI Operator & Administrator Bundle (OAB)

ID OAB   **Price** on request   **Duration** 5 days

Who should attend

NIOS DDI OPERATOR

This introductory course is for team members who will be conducting operator-level tasks in NIOS. It also provides the prerequisite learning to prepare team members intending to attend the NIOS DDI Administrator course.

NIOS DDI ADMINISTRATOR

This intermediate course is for team members who will be conducting administrator-level tasks in NIOS. It also provides the prerequisite learning to prepare team members intending to attend the NIOS Expert course.

Prerequisites

NIOS DDI OPERATOR

Attendees should have a fundamental understanding of networking. If you are new to networking, consider the DDI Associate course for an introduction to DDI and related networking topics.

NIOS DDI ADMINISTRATOR

Attendees should have completed the NIOS DDI Operator class or have equivalent hands-on Infoblox experience.

Course Content

NIOS DDI OPERATOR
