Manage business solutions with Microsoft Dynamics 365 Business Central (MB-800T00)

ID MB-800T00 **Price** CHF 3,380.—(excl. VAT) **Duration** 5 days

Who should attend

Candidates for this course are functional consultants who implement core application setup processes for small and medium businesses. They implement and configure Microsoft Dynamics 365 Business Central including setting up core functionality and modules and migrating data to Business Central. Candidates configure the application in collaboration with the implementation team to provide the business with manageability and ease of use. They may configure role centers including adapting insights, cues, action tiles, reports, charts, and extend Business Central by using Power Platform components. Candidates have applied knowledge of meeting business needs by using Business Central, including basic understanding of financial management, sales, purchasing, and inventory. Candidates for this exam typically specialize in one or more feature sets of Business Central. They understand the role of Business Central in relationship to the Microsoft 365 and Dynamics 365 suites of applications.

This course is part of the following Certifications

Microsoft Certified: Dynamics 365 Business Central Functional Consultant Associate (MCDBCFCA)
