ITIL® 4 Specialist: Drive Stakeholder Value (DSV) (ITIL4MPDS)

ID ITIL4MPDS **Price** CHF 1,990.—(excl. VAT) **Duration** 2.5 days

Who should attend

You are in possession of the ITIL 4 Foundation certificate and would like to get to know ITIL 4 and its practices in more depth. You are aiming for the ITIL 4 Managing Professional Status.

Prerequisites

You are in possession of the ITIL 4 Foundation certificate.

Course Objectives

In this 2.5 day training you will learn an understanding of the concepts presented in the ITIL 4 publication Drive Stakeholder Values. This includes all types of engagement and interaction between a service provider and its customers, users, suppliers and partners.

The successful completion of the ITIL 4 Drive Stakeholder Value qualification is one of the prerequisites for achieving the ITIL 4 Managing Professional level, which proves the candidate's practical and technical knowledge of the use of successful, modern IT-enabled services, teams and workflows.

The ITIL 4 MP Drive Stakeholder Value Training is officially accredited and meets the requirements of the Official Accreditor of ITIL 4 (AXELOS). This gives you the guarantee that you will be taught all the key contents of ITIL 4.

After the training you want to have new skills and knowledge. You learn...

- ...the optimisation of the added value of your services through consistent consideration and improvement of the customer journey
- ...effectively manage/manage all stakeholder groups
- ...build trustworthy relationships
- ...shape customer demand
- ...optimise user and customer experience
- ...incorporate effective design thinking
- ...integrate the on- and off-boarding of customers and users

- ...incorporate lean, agile and DevOps working methods into your service management
- ...maintain valuable relationships to ensure high customer satisfaction
