Fast Lane

PowerApp in a day (PADY)

ID PADY   **Price** CHF 975.—(excl. VAT)   **Duration** 1 day

Course Objectives

This app development course lets you experience the possibilities of building great business apps without writing code—in a single day. The course provides free technical training for both IT and business decision makers.

At the end of the day, attendees will understand how to:

- Digitize business processes.
- Work more efficiently and enable digital transformation in the workplace.
- Easily connect all applications and share data with Dataverse.
- Create custom business applications without writing code.
- Build sophisticated business processes and complex data relationships within applications.
- Learn how to bring apps to life by connecting them to a variety of data sources.
- Securely share apps across the organization.
