

## Scrum Master (SCMA)

**ID** SCMA **Price** CHF 1,700.—(excl. VAT) **Duration** 2 days

### Who should attend

The Scrum Master course is targeted to Scrum Masters and anyone else responsible for the successful use and/or rollout of Scrum.

### Prerequisites

Attendees make the most of the class if they:

- Have studied the Scrum Guide (required).
- Passed the Scrum Open assessment.
- Have a solid understanding of Scrum either through working on a Scrum Team, or through taking part in a Professional Scrum Foundations or similar course.
- Have been on or are closely involved in building or enhancing a software product or application.
- Have read one of the Scrum books.

### Course Content

The Scrum Master course is a 2-day course that covers the principles and (empirical) process theory underpinning the mechanics, rules and roles of the Scrum framework. Advanced tools for servant-leadership are provided to increase a Scrum Master's effectiveness. These tools relate to behavioral shifts, working with people and teams, coaching and facilitation techniques, and addressing the organization.

Students learn through instruction and team-based exercises, and are challenged to think in terms of the Scrum principles to better understand what to do when returning to the workplace.
