
Writing Effective Prompts for Generative AI (WEPGAI)

ID WEPGAI Prix sur demande Durée 3 heures

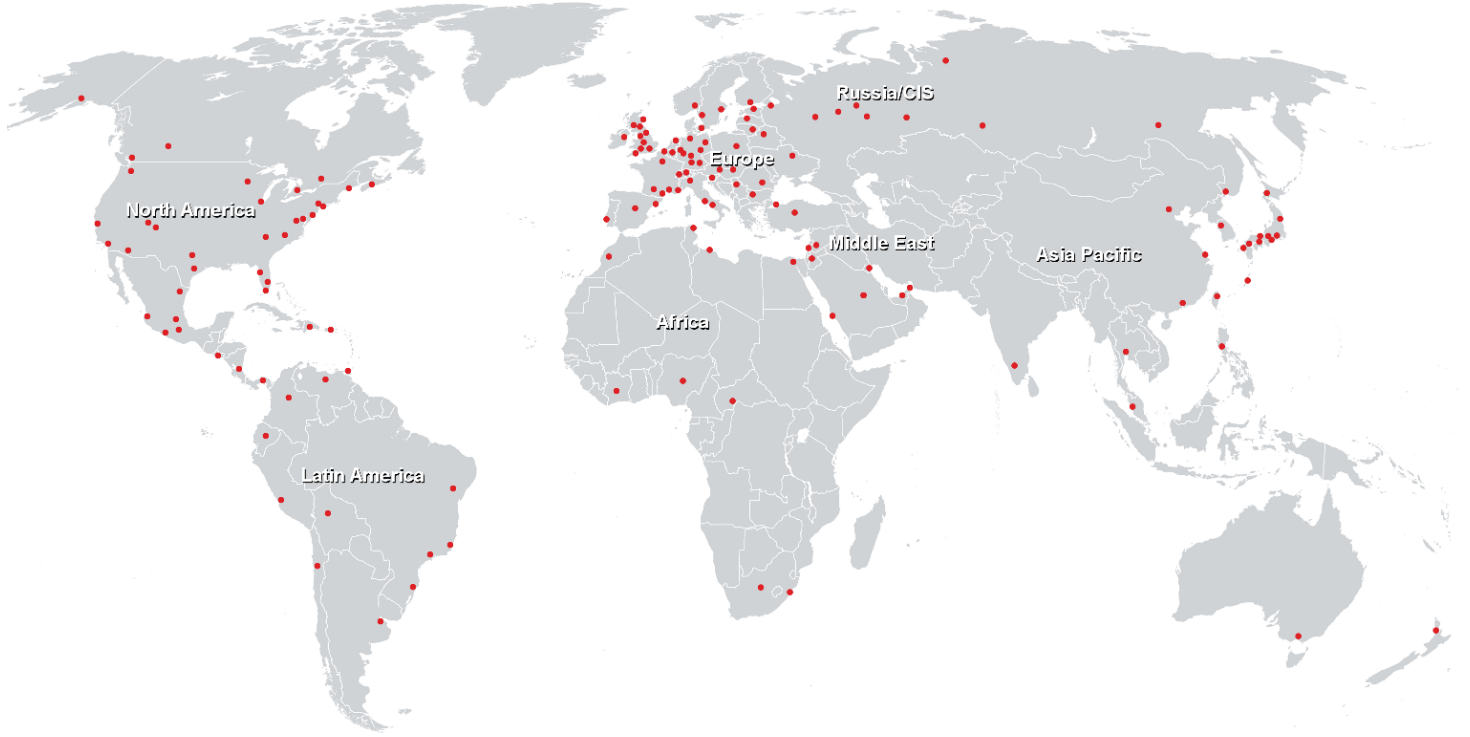

Pré-requis

There are no prerequisites for this course. The workshop aims to provide both introductory and advanced insights into Gen AI, making it suitable for individuals with varying levels of AI expertise.

Objectifs

- Understand the basics of generative AI and how it compares to traditional AI.
- Design effective prompts following general best practices.
- Improve large language model outputs using easy-to-approach prompt engineering techniques.
- Write effective prompts for interacting with multimodal models such as Gemini Vision Pro.
