Discovery Fundamentals (DF)

ID DF **Prix** 2 538,– € (Hors Taxe) **Durée** 3 jours

Important notes for the booking of ServiceNow trainings

1. 1. So that we can finally process your registration, you will receive an enrollment request after booking the course. Please carry out the enrollment immediately, at the latest **three** working days before the start of the course, according to the following instructions at ServiceNow: Enrol for Instructor Led Training using Learning Credits
2. Please note that we must receive short-term bookings no later than five working days before the course begins.
3. If you are unable to attend the training date you have booked (e.g. illness, etc.) or if ServiceNow cancels the course, a credit note is not possible under any circumstances. If you cancel, you can name a replacement person. In both cases of cancellation, the validity of your credit remains for 12 months after the order.

For more information, please refer to the **ServiceNow Terms and Conditions**..

A qui s'adresse cette formation

This course is designed for ServiceNow administrators and consultants who need to implement and administer ServiceNow Discovery.

Cette formation prépare à la/aux certifications

Certified Implementation Specialist – Discovery (CIS-DISCO)

Objectifs

Capture IP-enabled configuration items (CIs), maps relationships and dependencies in your ServiceNow CMDB using probes, sensors, and discovery patterns
