

Leveraging Lookups and Subsearches (LLS)

ID LLS Prix sur demande Durée 3 heures

Cette formation prépare à la/aux certifications

Splunk Core Certified User (SCCU)

Splunk Core Certified Advanced Power User (SPCCAPU)

Pré-requis

To be successful, students should have a solid understanding of the following:

- How Splunk works
- Knowledge objects
- Lookups

Objectifs

- Using Lookup Commands
- Adding a Subsearch
- Using the return Command

Contenu

This three-hour course is designed for power users who want to learn how to use lookups and subsearches to enrich their results. Topics will focus on lookup commands and explore how to use subsearches to correlate and filter data from multiple sources.
