

Creating Opportunity and Selling MidMarket Cisco Customer Collaboration (SCCX)

ID SCCX Prix CHF 1 150,- (Hors Taxe) Durée 1 jour

A qui s'adresse cette formation

The workshop is intended for partner AMs in the Commercial and SMB segment who will be selling CCX and related solutions.

Pré-requis

A general understanding of Cisco Collaboration Solutions is preferable but not essential

Objectifs

As a result of having attended this course, AMs will:

- Have a clear understanding of the new selling behaviours needed to sell key collaboration solutions such as Contact Center Express
- Be able to successfully position and sell CCX in the context of a customer's needs and objectives.
- Understand the importance of a consultative outcome-based sales approach when selling CCX.
- Build a business case for a typical contact center customer from a chosen market sector.
- Successfully engage with critical buyers of contact center solutions and practice stakeholder engagement.
- Understand typical customer objections and know how to defeat them
- Successfully build a value proposition for key contact center buyers
